4x4 Adventure Light LED

ARB-10500010

- This light provides maximum light output with minimum amp draw and has a LED life expectancy of 50,000 hours!

4x4 Adventure Light

ARB-ARB225

- Utilizing a fluorescent tube, the 4x4 Adventure Light is ideal for roadside vehicle repairs, camping and various outdoor activities.

ARB Sport Camping Chair

ARB-10500100US

- ARB Sport Camping Chair
- Off road travellers, campers and outdoor enthusiasts can now relax in comfort and style
- with the new ARB Sport camping chair.
- Considerable research and testing has been carried out to ensure ARB delivers a comfortable and tough camping chair designed to handle the rigorous demands of the off road.
- Rated to 120kg, the chair is slightly larger than standard models and features extruded aluminium arm rests and a robust alloy frame for long lasting reliability.

Arb Awning

A self-standing awning which takes just 30 seconds to deploy. Made in weatherproof PVC lined polyester, the awning stores on the vehicle in a reinforced PVC bag. All fittings are in lightweight aluminium for maximum strength and reduced loading. Fits to the side legs of roof rack or roof bars with a simple fitting kit. (not included)
