**NEW
PRODUCT**

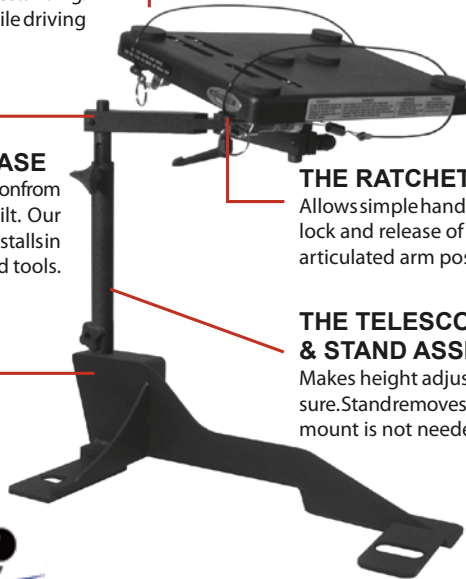

THE ARTICULATED SWING ARM Positions your laptop right where you need it most. Work comfortably from your driver or passenger seat or even while standing. Store against the dash while driving.

THE CABLE DOCK® DESKTOP Secures your laptop computer at your fingertips. Rotates with an ergonomic tilt. Securing the laptop is a snap with one hand operation for securing and removing the computer.

THE MOUNTING BASE Provides the sturdy foundation from which the Jotto Desk is built. Our "No Holes" drilled model installs in minutes with simple hand tools.

THE RATCHET HANDLE Allows simple hand motions for quick lock and release of desktop and articulated arm positioning.

THE TELESCOPING ROD & STAND ASSEMBLY Makes height adjustment easy and sure. Stand removes in seconds when mount is not needed.
