

ALUMINUM ADJUSTABLE OVER CANOPY RACK

Over Canopy Rack

Over Canopy Rack
WITH OPTIONAL OVERCAB EXTENSION

Rack Features:

- Manufactured from high grade aluminum pipe
- Capable of carrying 600 lb
- Stainless steel hardware for assembly with camtainer nuts giving our product a smooth clean finish
- Adjustable in height and width and have an optional 24" extension over cab to support longer loads
- Use a no drill easy installation for trucks that have stake pocket holes
- Fit all long, short and x/short box full size trucks and will fit with canopies from cab high to high rise
- Can also be installed without a canopy
- Come with complete assembly, installation instructions and hardware
- Used for work, home or play. Enable you to carry ladders, lumber, siding, boats and canoes
